Tournament Information Booklet (7/18/2014)

The Old Forge Lions Little League welcomes all Little League players and their fans to our beautiful town of Old Forge, Pennsylvania.

The Old Forge Lions Little League was founded in 1950 by Cyril Bosak, before mandatory play existed. He was one of the original sponsors, and a team continues to be sponsored today by the Bosak family in his honor. In 2003, a girls' softball program was added to the offerings of the league. The Old Forge Lions Little

League boasts a program that has always been very successful winning district championships at the 9-10, 10-11, Major, and junior divisions in baseball, and the 9-10, 10-11, and Major divisions in softball. The league has also won three District 17 City - County championships, two city championships, and one county championship.

The league is a proud member of Pennsylvania District 17, and is located in the Borough of Old Forge, in Lackawanna County. We maintain a sixty foot multi purpose field at Miles Street Park (the site of the Eastern Region tournament), as well as three fields at Pagnotti park (a sixty foot field, a ninety foot field, and the Robert V. Semenza memorial field).

We are honored to have been chosen by Little League Inc. and District 17 to host the 9-10 Girls Softball Eastern Region Invitational Tournament. We hope that your stay with us is an enjoyable one. Our staff will be available throughout the tournament to answer any questions you may have.

On behalf of the many volunteers of the Old Forge Little League, I would like to congratulate the participants for winning their respective state championship tournaments to gain seats in this year's Eastern Region Invitational Tournament. We wish each team the best of luck in their endeavor to capture this Eastern Region title.

Thanks again for visiting us in Old Forge.
